

# Help us open a Chicago Chess & Education Center

Over the past four years, **Renaissance Knights Chess Foundation** has grown to providing chess programs at over 50 schools. Now, with an ever-increasing membership, expanding programs, bigger events, Renaissance Knights is raising \$350,000 to open a Chess & Education Center in Chicago, by the end of 2008!

This innovative center will be our home and a national model for the role of chess in developing children's academic, intellectual & social skills. We will be able to accommodate at least three simultaneous educational after-school programs and have event space. Renaissance Knights home will have room for staff and programs to grow, fully equipped with the technology needed to run our programs at full capacity.

**We are working hard - and we need your help!**

Your support is crucial to make this a success! For more information, or to get involved, contact David Heiser, President, at [renknights@aol.com](mailto:renknights@aol.com) or (773) 844-0701.
